Tami's Quilt Camp

5 girls, 5 machines, 5 weeks, 5 quilts!

Pre-cut all Pieces using Accuquilt 8" block die set

A design suggestion

First Block Success!

All machines set up and ready to go!

We maintained a tight cohort of friends so this camp was limited to a very small few number of girls in a tight bubble during Covid!

We kept our projects organized in foam board stack

They learned ironing

They learned peicing

... and they even learned ripping! If it wasn't right they took it out and did it again!

Designing is the Best!

Putting the tops together

All Done!

Disclaimer: I did the final quilting and binding this time but next time it will be them!

Picnic Time

These girls are so proud of their work and I am so proud of them!
