Program/Speaker

Trudy Smith presented an engaging program of her quilting journey. She previously worked at the Quilters Studio in Newbury Park, which has now closed. Quilt guilds use her "Quilto" game which she created and markets, when they do not have a speaker or at parties. She has received California teacher certification based on her body of quilt works. She and her husband have a mobile Bernina service business. Machines can be dropped off at Roxanne's for servicing.

The meeting adjourned at 8:30.

Respectfully submitted:

Sherry Lafler, Recording Secretary
