Coastal Quilters Guild General Meeting Minutes January 13, 2022

The meeting was called to order by President Bee Saunders at 6:01 pm.

1. Program - Introduction by Carole Kennedy
 - Carl Hentsch – “My Life in Quilts” trunk show
2. Updates and Announcements – Bee Saunders
 - Hopefully everyone got the notice about today’s afternoon ‘Gathering’ being cancelled. Surging Covid-19 cases meant it seemed prudent to skip this month. Stay posted for details on next month and be advised we may well choose to cancel that too. An update on claiming or returning kits and quilts for Community Projects will be given shortly.
 - We need to form a Nominating Committee to start working on filling Board and Committee vacancies which will arise in the summer. The by-laws state this should have happened in November so please let me know ASAP if you’d be willing to help in this important endeavor! We need 5 members to be on this committee.
 - The Quilt Challenge Chair position is still vacant, if it doesn’t get filled soon, we will not be able to have a Quilt Challenge this year.
3. Committee Reports
 - Program, Workshops, Coffee Breaks – Susan Katz, Carole Kennedy, Diane Hamilton
 - Still have openings for the workshop next Saturday
 - Speaker for February is Lea McComas with a presentation on “Making Faces”, regular 7pm meeting start time, with the speaker up first

 - February block of the month is ‘Scrap Happy’, submit blocks by February 7
 - Community Projects – Pam Holst
