Updates and Announcements - Bee Saunders

Thanks to everyone who has helped organise tonight's meeting, especially Nancy Butterfield, to everyone for coming, and for the wonderful food we get to enjoy together. Approximately 35 members were in attendance.

Reminders:

- renew your Guild membership (thanks to those who already have)
- buy advance tickets for the Quilt Show
- buy Opportunity Quilt raffle tickets
- enter the door prize raffle
- get your quilt show entry photographed by Carol Boyce (thanks so much for doing this!)
- completed quilt show entries are due by August 1st!
- sign up for a volunteer position at the Show

At the Board meeting next Thursday (7pm on Zoom), we will be having an open discussion about how, and indeed where, meetings will be conducted in the future. We are looking for a suitable venue with set-up to additionally host a simultaneous Zoom Meeting. All members are welcome to come and be involved. It'll be the first item on the agenda, and can be continued in an additional, subsequent meeting. We are keen to establish a method for conducting hybrid meetings to promote inclusivity for all our members, and welcome your thoughts, ideas and help!
