April, our thoughts turn to spring (and taxes - boo hiss) as well as our upcoming show. So some seasonal verse....

ODE TO AN ACCOUNTANT by Robert Frost

Never ask of money spent
Where the spender thinks it went.
No one was ever meant,
to remember or invent,
What he did with every cent.

And another thought.... "A fine is a tax for doing wrong. A tax is a fine for doing O.K." Human Events

FROM LAST MONTH

At the meeting, it was proposed and motion passed that the Guild subsidize the cost of the show program. We will underwrite the cost and be paid back with the proceeds. Sharon Grzeskowiak will be in charge of selling advertising for the program.

After the business meeting, the group enjoyed mini-workshops in PPTs, machine quilting, applique, inspiration for quilt ideas, and what is available through the guild library. Thank you all for sharing your talents with the group.

NATURAL IMPRESSIONS SHOW UPDATE

The time is here! All the planning is now falling into place and the nuts & bolts work has to be done.

HOW CAN YOU HELP? Glad that you asked. If you have not yet become involved, we need:

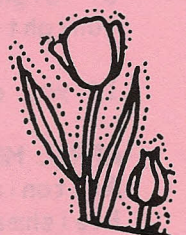

1) docents: the white glove ladies who assist at the show - we still need more - see or contact Cathy Rampton (687-3399). Docent training sessions will be Friday, April 19th - 10am & 7:30pm and Saturday, April 20th - 10am.

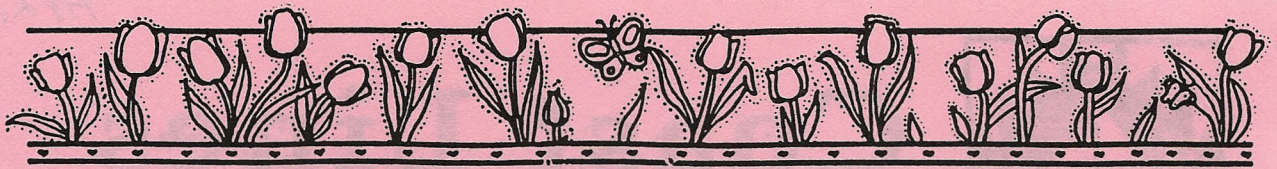

Please try to attend one of these sessions to familiarize yourself with the quilts & their history. But, if this is not possible, we still need your help.

2) Buy an ad in the program - if you have a business or know someone who would like to advertise in show program, please contact Susan Grzeskowiak (569-3845) by April 15th.

3) painting displays - contact Norah (962-8511) or Sharon Doyle (682-4139) bring drop cloths, rollers & pans. Paint will be provided.

4) display hangers - we need lots of help hanging and setting up the show We will be setting up Tuesday thru Thursday. (Husbands & significant others help welcomed!)

5) during the show (Friday thru Sunday) - we need people to man the various tables (opportunity quilt, quilting on frame, signing up new members, auction assistants, etc.) There are more than enough jobs to go around. Show your support for the guild. One last point, there are no free admissions for guild members, but you will be admitted free to work.

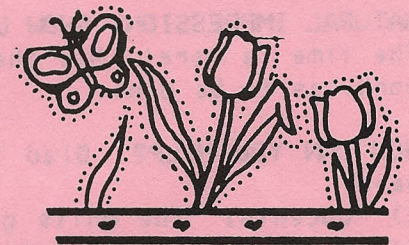

6) finally after the show - cleanup and packing up of the quilts to return to their owners. If you have any questions or would like to volunteer, please sign up at the meeting or contact Norah (962-8511) or Jan Inouye (962-3498).

LOST QUILTERS

In preparation for acknowledgements of all those wonderful quilters who put the thousands of stitches into the SB Natural History commemorative quilt, we are listing all the names who signed the quilt log. The outcome tallied at 10 for the 3-dimensional workshop; 15 for the isometric; and 21 for either. Sign-ups will be at our May meeting.
