BITS & PIECES

October days, fall is here (or maybe summer in SB this year!), World series and football, beautiful days and cool evenings, children settled in school, Halloween and Christmas decorations in the stores. Thoughts of upcoming holidays and yet I resist, enjoying today, doing something special that will become a smiled memory another day....Rebecca

FROM LAST MONTH

Everyone, including our speaker Cheryl Bradkin, was able to find our meeting despite the change of locations to the community center in Goleta. Cheryl gave a wonderful slide talk along with displaying wallhangings and clothing. She has lost much of her collection in a house fire over the summer, fortunately not everything was in the studio. Her new edition of Seminole patchwork had not yet arrived by meeting time but was ordered at Betty's and also will be available at the October meeting for \$ 16.43 from Susan G.

THIS MONTH

Danita Rafalovich will speak to us on Southern California quilters - traditional to contemporary.

She will return for a SATURDAY workshop on her "Rubber Stamping on Fabric" class November 9th at the Goleta Community Center. Signups will be available with Jan Inouye starting at the meeting.

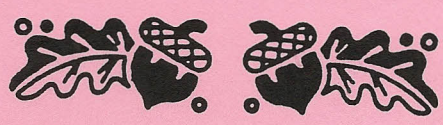

GOLETA VALLEY DAYS

The guild will be participating in the Goleta Valley Days, Oct 19th with a quilt exhibit at the Goleta Community Center. Harriet Berk, Mary Blaylock and Mary Bursek are chairing the event. Help is needed for organizing Friday night & early setup (approx 7am) Saturday morning as well as docents throughout the day. Signups will be at the meeting or by contacting the committee.

NEXT MONTH

REMEMBER: NOVEMBER MEETING WILL BE HELD AT THE GOLETA COMMUNITY CENTER INSTEAD OF GENERAL RESEARCH!!!!!!

Michelle Shoemith will be speaking on organizing the sewing room. There will also be the presentation of the community project quilts to the Council of Christmas Cheer.

A LIBRARY FULL OF QUILTS

We need quilts to display at the Goleta Library in the month of December. Needed are small quilts with a style from traditional to contemporary and/or children's theme quilts (our childhood memory challenge will be perfect). We will have a sign up sheet at the October meeting and the quilts can be brought to the November meeting. If you have any questions, please call Judy Gorindo at 682-6592.

NOMINATIONS -ELECTIONS

Zetta & Liz have been busy and have put together another great group to lead our guild. Please read Zetta's article. There are still a few openings - HOW ABOUT YOU!!!!

Nominations - 1992

The nominating committee of Liz Steele and myself would like to thank all the members who have volunteered to serve in 1992. You have been wonderful and I am thrilled to announce that we do have a slate of officers to propose at our November meeting! I would especially like to thank those lovely people who called me up and said, "Yes", they would be willing to do such and such a job! They have made the work of this committee so much easier. And I am delighted to have people so enthused about the Guild and willing to serve next year.

The by-laws state that the actual election of officers be made at the November meeting. However, I know you're all dying of curiosity; plus I want to give you time to think about this. Thus the nominating committee hereby present the following slate of elected officers for 1992:

1. President: BARBARA MAXWELL
2. Vice-President (Programs): SUSAN GRZESHOWIAK
3. Recording Secretary: ZETTA HANNA
4. Corresponding Secretary: SUZY CARTER
5. Treasurer: LAURA ALARID

These are the five officers which must actually be elected. I would like to remind you that at the November meeting, we will be happy to accept nominations from the floor. Please feel free to speak up and let us know whom you would like to see as an officer. Do remember that you must have that person's permission to nominate her for an office. And if YOU would like to be an officer, please let the nominating committee know. We really do appreciate volunteers!

All other positions in the Guild are filled by appointment of the President. Most of these positions have been filled. We could still use two or three people for the phone committee. We need an historian. We would also like to ADD the new position of MEMBERSHIP. This person would keep the roster up to date and be sure that new members are given their membership packets. We also need somebody with MUCSLES to be our equipment handler. If you could help out with any of these chores, please let us know.

Thanks again to all you wonderful volunteers who make this such a great Guild!

COMMUNITY PROJECTS

Quilts for the "Council of Christmas Cheer" will be accepted by committee members Violet Mencher and Janet Berlin at the October 9th meeting. If yours will be late, please either bring it to either of the ladies above or Marge Hall no later than November 11th. Toddler and infant sizes as well as larger ones are all welcomed. Presentation of the quilts will be made at the November meeting. Are you still reading this newsletter? If you have read this far, call Rebecca 966-1429 your name will go into a drawing.

SATELLITE GROUPS

As part of my job collecting info for our newsletter, I scan about 10-15 other newsletters a month. Recently I was reading about the Desert Quilters of Nevada apparently located in the Las Vegas area. They have 13 satellite groups with such names as "New Stitchers on the Block" and "TLSCTS" (Thursday Evening Ladies Sewing Circle and Terrorist Society)!

While our groups may have milder names, the satellite groups offer a fun opportunity to share the love of quilts and quilting with others in a small, informal setting, sharing ideas & projects and sometimes trips. There are still openings in the Comfort Zone group which meets the 4th Wed evening of the month at members homes or we can help you set up a new group at other times. For info call: Rebecca Mealey - 966-1429.

GOLETA VALLEY DAYS - 1991

30 September 1991

Saturday, October 19th is this year's date for Goleta Valley Days. Once again the Guild will be having a quilt display at the Goleta Valley Community Center (in the auditorium). The display will be open to the public from 11 a.m. - 5 p.m.

Zetta Hanna will again be collecting your quilts for display. If you forgot to bring your quilt to tonight's meeting, please drop it off at Zetta's home: 5575 Somerset Dr. (off Kellogg Ave., near the Elk's Club).

We prefer quilts that were NOT displayed in previous years. All sizes are welcome.

Do bring more than one quilt if you like. While we can only guarantee to hang ONE quilt from each member, we will hang all that we have space available for. Many small quilts can be hung where only one large bed-size quilt can be.

Don't forget your NATURE CHALLENGE quilts! We try to hang these together.

BE SURE YOUR NAME IS ON YOUR QUILT!!! Last year, we had six orphans after the show!

While tickets for the opportunity quilt will be for sale at the exhibit, NO private boutiques by members will be permitted in the show-room.

Quilts not picked up by 5 p.m., the day of the show, can be picked up at Zetta's home or at the November Guild meeting.
