July 1992

This Month -- *Hoffman Fabric Challenge Winners Here for Us*

One quilt is worth a thousand pictures, and tonight you will see and touch 50 of the best from around the country. Every year Hoffman, manufacturer of some of the most exciting fabric on the racks today, issues a challenge to create a small wall hanging out of a designated Hoffman fabric and the winning quilts travel around the country for a year. We will break into small groups and this will be a chance to swap quilt talk and get to know your guild friends, as well as really scrutinize some exciting quilts.

Next Month -- *Enjoy life, come to this meeting*

In August, **elinor peace bailey** will be joining us and sharing her own delightful approach to life and textiles. She is especially well known for her dolls, and doll print fabric. Don't miss this occasion to add some whimsy to your life and your sewing!

Onwards and Upwards . . . to new heights with our Opportunity Quilt!!

The newly finished top was presented at the June meeting. *It is a wonderful confection of delicate color.* Scrumptious we might even say. Lifelike applique flowers grace a center medallion and lovely pieced flowers in more stylized designs border the quilt. An original and refreshing design! Hats off to our resident masterpiece maker, Judy Gorrindo and her bevy of artistes.

And while we're on the subject, Denise Clark reminds us that she would like every member to sell at least ten tickets. This is an important fund raiser for the guild. The drawing will be at the October guild meeting. Additional tickets will be available from Denise, 964-8152. And whoever sells the most tickets will win a free guild membership! Tiffani Watt, our newsletter distributor, sold the most last year. *Can she defend her championship?*

RAVE REVIEWS POUR IN FOR MELODY'S WORKSHOP! * * * * *
Melody Bollay's workshop on Three Dimensional Applique was a credit to the guild and the world of applique. Thanks so very much, Melody, for sharing your skills with us. Reports are that everyone got a lot out of the class!

Goodbye, Adios and Come Back Real Soon to Julie Johnston! We will miss you, and Show and Tell will hardly be the same without your breathtaking quilts. We thank you for your support of the guild and wish you the joy of new horizons and new fabric stores!

If this made your heart beat faster and you are a PC user, call Candy Poolman, 893-3726, (guild computer whiz devoted to quilting). She tracked down the maker of this program (in Kentucky!) and it is *just* on the market. The price is \$95 but if enough guild members are interested, we may get a price break

July - Rainbow Pinwheel

Kathy Doughty
964-1496

- * Pick a rainbow color. You will need a dark, medium, and light fabric in the chosen color.
- * While you can piece each diamond separately (I DON'T recommend it!), the easiest way to piece this is to sew together three 1 1/4" wide strips, each about 1 yard long, and then use the diamond template to cut eight striped diamonds.
- * Use a white-on-white fabric for the background.
- * When your done, (unless your piecing was perfect! Mine never is...) sew a cute button in the center to act as the pinhead.
- * Final block is 11 X 11 , without seam allowances.
- * 1/4" seams throughout.

How many ways are there to put Stars and Stripes together?

Probably quite a few . . .

Pull out those red, white and blues, and stuff a STAR FAMILY.

Try a soft little "baby" star to pin on your shirt.

Stuff a puffy medium "MoM" Star to perch on the top of the bookshelf.

Round out the family with a big floppy "Daddy" Star, a natural for the sofa.
