Thank you Jane Manasse! for donating 21 excellent books to the Guild!

Thank you Ruth Walters for donating a video by Jinny Beyer!

You are invited to stop by the library and check it out! Please remember the return them after one month so other may benefit also.

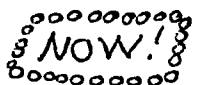

A SPECIAL THANK YOU TO THE FOLLOWING!

The guild would like to thank Sharon Doyle for providing Harriet Hargrave with a clean bed and respite on her busy schedule with our Guild.

We also send our appreciation to S.L.O. Quilters Guild, who shared travel expenses with us.

FROM THE VICE PRESIDENT'S DESK-  
TONIGHT!

Tonight we will enjoy a long anticipated visit from author, shop owner, teacher and quiltmaker Harriet Hargrave of Colorado. Descended from a long line of pioneer quilters, her skills have grown over the years. Her recent book Mastering Machine Applique adds to her list of accomplishments. Please give a warm welcome to our guest, who is respected world-wide.

COMING NEXT MONTH!

The great Coastal Quilters Silent Auction coming in March! Gather up your unwanted treasures to bring on this fun evening, and bring your piggy bank!

FROM THE EDITOR'S DESK

There is a document written by Pres. George Bush included which I hope you enjoy!

If you have any information you want to share with the Guild, talk with one of the officers to have it added to the monthly board meetings.

It was agreed at the last board meeting that we should limit the number of Guild members to 200. However, the newsletter can be subscribed to for a cost of \$10.

The Guild will be selling raffle tickets for the beautiful antique Basket Quilt, our new Opportunity Quilt within our Guild, at \$1 each.

# Could there be another Quilt Exhibit in Our Future?

Several Guild members have expressed interest in accepting the Museum League's invitation to hold another quilt exhibit at the Museum of Natural History. The Museum League has invited us to hold a quilt exhibit in Spring of 1994. However, in order to maintain the high standard set by Natural Impressions\* (see left) in 1991, the group wishes to postpone the exhibit until 1995. A 1994 date does not allow the approximately 20 months lead-time required to organize and mount a large juried show.

\*In case you missed "Natural Impressions: Quilts at the Museum of Natural History" . . . :

In May of 1991 the Guild and the Museum League held a 3-day juried quilt show to benefit the Museum of Natural History and the Guild. The show took place at the museum and included invitational quilts by well-known quilters, antique quilts, and a group of our member's challenge quilts. At the same time we gave the museum a 75th anniversary quilt and held an auction of small quilts. The seed money for the events was provided by the Museum League and, as a League project, the Guild was covered by the museum's insurance policy. We had free use of their auditorium for set-up and the exhibit, use of museum facilities for planning and jurying meetings, and the help of museum staff members. The exhibit was beautifully presented, staffed by knowledgeable Guild docents, and enthusiastically received by the thousands who attended it. The Museum League used most of their part of the proceeds to buy a display case for the 75th anniversary quilt. The quilt is on exhibit in Fleischmann Auditorium.

Please WRITE your comments down and send them to Barbara Maxwell, 466 N. La Cumbre Rd., Santa Barbara 93105 and we will discuss this at the March board meeting.
