

Life Lessons from 25 Years of Quilting

Kristin Otte has many years of art, craft and design experience including; stained glass, calligraphy, printing and book making. Kristin has a degree in Art History from UCSB and in Book Arts from Mills College, Oakland. She made her first quilt in 1989 and felt she had found her home. Kristin has been a member of the Coastal Quilters Guild since 1989 and Fibervision since 2003. She has taught classes at Blue Island Quilts, the Fabric Quarter and with the Santa Barbara Adult Education Program. She has been part of several local shows including the Cabrillo Arts Pavilion, the Santa Barbara Architectural Foundation and the Elverhoj Museum in Solvang. Kristin had her first solo show in April, 2016 at the Santa Barbara Library, Faulkner Gallery West, where she exhibited her most recent work, using selvedge in her art pieces. It is this work that will be the subject of her workshop on Friday, November 11th.

President's Letter

We've packed the pipe and drape. All the gorgeous quilts are back in their bags. But deadlines are still to be met: that Halloween or Thanksgiving banner or table runner, Hanukkah or Christmas gifts. Whatever it may be, I hope the fall season fills you with inspiration and good cheer. If you have a spare moment, remember that little girl waiting for her baby cradle and the quilted items she might get (IF you find the time to finish your kits by the November meeting).

WANTED: A FEW GOOD VOLUNTEERS!!
Our Speaker Liaison, Mary Maxwell, is looking for a few good volunteers to assist her in preparing for our monthly speakers. This would involve helping to set up our meeting area for whatever our speaker may require (tables, quilt stands) as well as helping to take it down after the meeting. New members – this is a great way to meet other members! If this interests you, please email me.

And speaking of new members, thank you Ginny Lawliss for volunteering to be our Refreshment Chairperson!

Amazon Purchases Can Benefit Our Guild

With the December holidays three months away, we want to remind you that IF you buy from Amazon, the Guild can benefit – through either of two programs that Amazon offers:

The first is the Amazon ASSOCIATES program. Go to the Guild's website (www.coastalquilters.org) and click on the Amazon logo in the left column. You will be linked to the Associates program. Sign on and make your purchases, they will earn up to 15% for the Guild! If you don't want to go through the Guild's website EVERY time you shop Amazon, go to our website the FIRST time and create a link that you save to your favorites (also known as Bookmarks)... that way you will never forget and your purchases will automatically be considered!

REMEMBER: You MUST make your purchases through the Guild's website link for your qualifying purchases to count. If you are not sure if you are linked, look for the Guild's code (i.e. coastalquil07-20) as part of the web address. It will look something like:

https://www.amazon.com/?_encoding=UTF8&tag=coastalquil07-20&ref_=nav_custrec_signin&

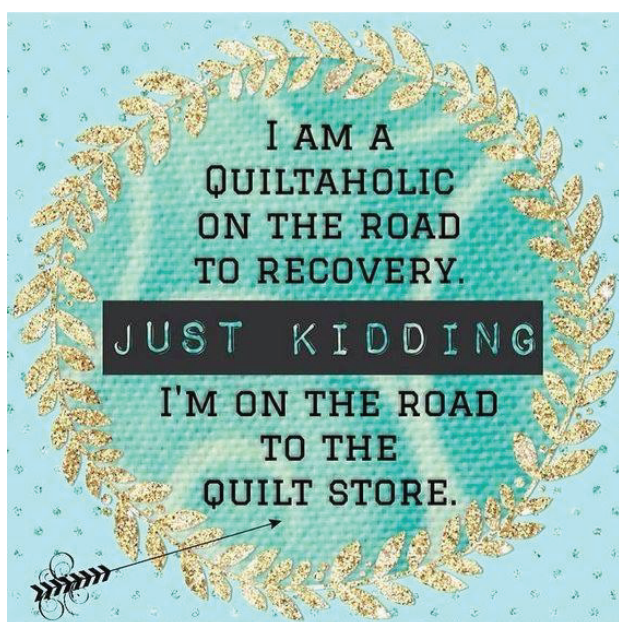

The second is the Amazon SMILE program which brings the Guild approximately .5% (that is one-half a percent) from most of your purchases. From our survey results we know that many of you already access Amazon Smile with the proceeds going to

religious organizations, the Food Bank, Direct Relief, elementary schools and many other organizations in Santa Barbara and we are glad you have made the connection for those groups and encourage you to continue. If you have not signed up for Amazon Smile and want to, go to smile.amazon.com, enter your information and select your non-profit (hopefully the Coastal Quilters Guild Inc. – Santa Barbara County). You can then create a link to smile.amazon.com – you can also add an icon on the toolbar on your browser – because like the Associates Program above, you have to go through the *smile* link for the purchase to qualify. Unlike the Associates Program, when you are signed on to the Smile Program, it tells you in the left side of the Amazon header. The logo will say amazonsmile and you should see the following:

Supporting: Coastal Quilters Guild Inc.

If you have links to both programs, you might want to rename your links – such as Amazon-Associates and Amazon-Smile. You can have both – you just have to know which non-profit you have assigned to which program. Note that we are not promoting Amazon but if you are currently not using either program and do buy from Amazon, we hope you will use the Associates Program as we receive more from that one.

Refreshments

I would like to introduce myself to you. I'm the new Refreshment Chair, my name is Ginny Lawliss and with your help we can all have some wonderful refreshment once again. So if your birthday falls in Nov. or Dec. please bring something to share with us all. I thought something that has Pumpkin in it for Thanksgiving would be nice. I know you will come up with something wonderful.

I look forward to meeting you all. Thank you,

Ginny Lawliss, Refreshments

October Harvest of Blocks

At the October meeting, **Sue Orfila** won 61 Northern Star blocks. The blocks were stitched up in Halloween prints of black, white, orange and a few purple. Congratulations, Sue! Look forward to seeing your quilt!

Library News

Thanks to all who purchased books at the last meeting. Using the proceeds two new books have been ordered: **Kaffe Fassett's Quilts in Italy** and **Jelly Roll Jazz** by Jean Ann Wright.

Last month we had a couple of boxes of quilt books donated and as soon as we can go thru them they will either be catalogued and become part of the Guild's Library or put up for sale. At November's meeting come and browse the books, and borrow or buy.

If anyone in the Guild has a copy of **Jane A. Stickle Quilt** by Brenda Manger Papadakis and would be willing to donate it to the library? It would be thankfully accepted, the Guild's copy is missing and we have had many requests to check out this book.

A big thank you to Edalee Keehn for giving us tubs to house books and to all the Guild members who have donated books from their collections. We are working on a system for lending stencils. And if you see a book you think our library needs, just write down the author and title and we'll try to get it.

Sarah House:

Quilts for Extraordinary Kindness

Twenty-five years ago, Sarah Shoresman had a vision for an unused lot owned by the Santa Barbara Housing Authority. She gathered the funding, the architects and the necessary permits to begin building a home, not an institution, for those in need at the end of their lives. Sarah House opened its doors in the midst of the AIDS crisis of the 1990's to those dying from the disease with nowhere else to turn. Today, Sarah House still serves those, often homeless, with nowhere else to turn as it provides "end-of-life care with extraordinary kindness" to low-income Hospice clients.

We delivered quilts to Sarah House recently and found a gracious home with eight bedrooms surrounded by patio gardens, a large sunny kitchen, a comfortable living room, and a dining room where staff and residents gather at 6 p.m. daily for dinner and sharing. We found quilts on the beds and one on the wall; our contribution of lap-sized quilts will ensure there are quilts available for every need.

We will deliver kids' quilts to CALM once more in January. CALM asked for 100 quilts and we are very near that goal now. With a focus on CALM for November and December and a January deadline, we are sure to push that total over the top.

In January, we will launch our next project: Fidget Quilts for the Friendship Center, which provides daytime care for people with Alzheimer's and other forms of dementia. Many of these patients suffer from anxiety and agitation. Fidget Quilts help to calm these patients by keeping their hands busy and their minds occupied. Fidget Quilts that include novelty prints can help to jog the memory and serve as conversation starters, while "do-dads" such as buttons, beads, zippers, velcro, ribbon loops and three-dimensional elements all help to busy restless hands. Let's dig deep into the sewing baskets for materials not ordinarily used in quilt-making.

Evening Star

12" Block

December 2016
Coastal Quilters Guild
Block of the Month

It's a busy month of shopping, decorating and cooking. Lots of red and green about getting ready for Christmas! Use Christmas prints to stitch up this favorite star block. Good choices are those lovely Christmas prints accented with metallic gold lines.

Cutting

Cream with gold metallic or cream print:

Cut four 3-1/2" x 6-1/2" rectangles.

Cut four 3-1/2" squares.

Red Christmas print or red metallic:

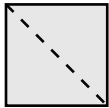

Cut eight 3-1/2" squares.

Green Christmas print or green metallic:

Cut one 6-1/2" square.

Assembly

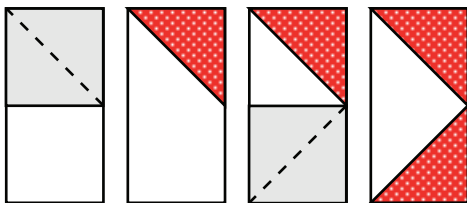

1. Draw a line from corner to corner on the wrong side of the red squares.

2. With right sides together stitch the red square to cream rectangle, stitching on the drawn line.

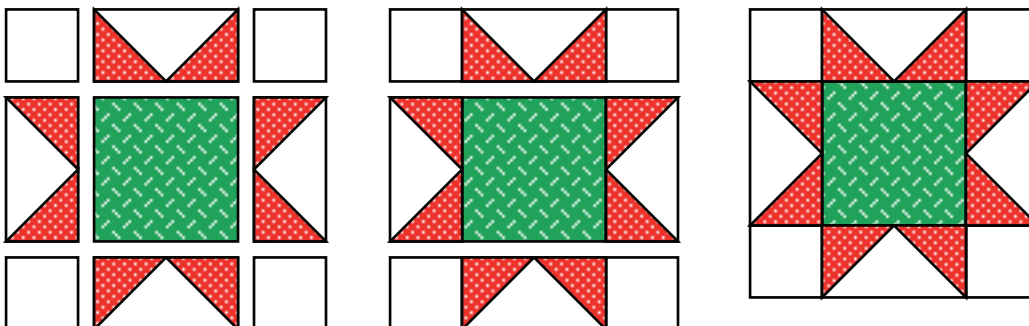

Trim seam to 1/4". Press seam toward red fabric.

Repeat with another red square as shown in diagram.

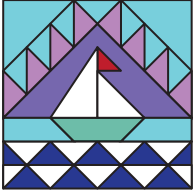

3. Arrange units and squares to make the Evening Star Block. Sew into rows.

Press seams toward squares. Sew rows together. Block should measure 12-1/2".

*Bring your block to the December CQG meeting.
Please contact Marty Frolli with any questions.*
