August Speaker: Sue Rasmussen “A Desperate Housewife’s Quilt Journey”

This humorous presentation, showing dozens of Sue’s quilts, takes you through her development as a quilt maker in the two main styles Sue loves and is known for: Intricate Pieced Quilts and Machine Pieced Landscape--Pictorial Quilts. Emphasizing more recent work, Sue discusses several quilts in terms of design, color, fabric choices, and quilting patterns, then ends with story quilts guaranteed to make you giggle.

Only a few spots remain in Sue’s Friday, August 10 workshop on “Curved Paper Pieced Flying Geese”. If you are interested, please contact margaretdear@gmail.com as registration may be closed by the August meeting; the supply list is [here](#).

NOTE: this is **not** a beginning class, and everyone will need to bring an understanding of the basics of paper foundation piecing. Check out Sue’s website gallery [here](#).

September Speaker: Norah McMeeking

September’s speaker is our own (sometimes) Norah McMeeking, former Adult Ed teacher and author of two popular quilt design books including Bella Bella Quilts, based on Italian inlaid floors.

She’ll reprise “My Great British (Quilting) Adventure,” which launched her career as a quilting speaker. Norah is a Craftsy (now Bluprint) instructor and teaches nationally and internationally. Check out her website [here](#).

Time to Renew Your Membership for 2018-2019

It’s time to renew your Quilt Guild membership! Membership runs from July 1 to June 30. Download the renewal form from our website [here](#) and bring it to the August meeting or mail it to: Annette Goena, P.O. Box 30470, SB. 93130.

Remember...you must be a current member to enter a quilt in the 2018 Quilt Show and to be in a satellite group. Please join now so you don't miss out on any of the great things the Guild has to offer.

Thank you.

Harvest of Colors: Quilt Show Chair's News

Quilt Show planning continues; all members are welcome to attend our meetings. We will have our regular meeting at 5:30 prior to the August Guild meeting.

Pre-sale Ticket Order Forms are available in the website "Quilt Show" section, coastalquilters.org. Tickets are \$8 pre-sale and \$10 at the door. Ticket chair Bee Saunders encourages members to sell as many tickets as possible - to family, neighbors, work colleagues and friends: "Make sure your name is recorded when buying tickets as there will be a very desirable prize for the highest seller!"

Volunteer sign-ups are in full swing. We need EVERYONE to participate in some way, so please sign up for positions that best suit your availability. Please be generous with your time as the show needs you.

Please review all the articles below for important information.

This show is a Member's Showcase and we would like ALL members to participate. While you are working on your quilt, think about your artist statement and your inspiration. It is always fun to read your words describing your process. I hope you are all busy quilting those beautiful show quilts!

HOC: Judged Quilt Categories

To enter a judged quilt using our "online" process:

1. Fill out an online Entry form.
2. Fill out an online Judging Form.
3. Print out and complete an Entry form Photo Attachment (needs photo).
4. Print out and complete an Judging Form Photo Attachment (needs photo).

If you choose to use our "paper" process, please print out and complete two forms (Entry and Judging) and attach a photo to each form.

You may submit up to two quilts for judging. On your Judging Form, you will need to check a judging category from one of these:

Traditional: A pattern or design with an established history in the quilting tradition. This includes block-based, medallion, crazy, whole cloth quilts, appliqué and mixed appliqué.

Modern: Quilts that are functional, clean lined, or graphic. May have bold colors and prints, solid colors, or asymmetry with expansive negative space inspired by modern design. Alternate grid work is often part of the composition, modifying the block arrangement and /or the scale.

Art: Includes abstract or representational subject such as nature-scape, people, pictorial, or whimsical. Is an original design and exploration rather than the handing down of a "pattern." It may be experiment with self-expression as primary process. (Note: The art style quilts may be divided into Original and Pattern Based categories to allow judging of the craftsmanship of quilts made from commercial patterns).

Innovative/Contemporary: Usually pieced quilts with fundamental deviation from traditional patterns and sets. Should reflect growth through tradition. based on traction alone designs and then move beyond the traditional implementation to create a contemporary quilt.

Explanation of Some Key Terms:

Representational - recognizable or identifiable subject

Abstract - art that does not attempt to represent external recognizable reality; relies on line, form, and color to create design; uses personal expression and originality in concept, design and execution.

Any questions, please let us know. We will do our best to keep you in the category that you prefer. Sometimes we need to change a quilt to another category to keep the categories cohesive. If this happens, we will let you know.

Thank you.

Patty Six, Pam Holst, Darilyn Kisch, Patti Hunter, *HOC Judging Committee*
