Coastal Quilters Guild of Santa Barbara & Goleta, California

Volume 30, No. 10

April 2019

REMINDER: The Guild's regular meeting time is 7 PM!

April Meeting: "Just Look—Don't Touch" Challenge Show

Come early to the April Guild meeting so you'll have time to browse Challenge 2019, a display of more than 45 quilt show signs designed by members to remind the public to view our quilts without touching.

Guests are welcome, but only members can vote. Pick up your ballot near the membership table and vote for your 4 favorites—each quilt will have a number. Voting will end midway through the break, when participants will be asked to collect their entries and line up in numerical order for the parade. I'm pleased to have Patti Hunter assist me with the reading of entry details.

Info for Participants: Please let me know if you are unable to attend April's meeting so I can arrange a substitute to hold your sign during the parade. If you have multiple entries, join the parade according to your lowest entry number, then arrange your entries from lowest to highest (only your entry with the highest ballot count will be eligible for an award.) Pillowcases will be available for pick up after the awards are given.

Have a great idea for a 12" x 12" quilt show sign? I'll be happy to accept your contribution at any future meeting. Thank you.

Carol Hart, *Challenge Chair*

May Speaker and Workshop

Rami Kim: "Asian Designs in a Modern World"

Our speaker in May will be Rami Kim, a DNA scientist turned fabric artist/quilter/instructor known nationally and internationally. She is a 19-time Best of Show winner, distinguished for her innovative art-to-wear. Her passion is in contemporary art-to-wear, quilts, cloth dolls, and bags with special interest in 3-dimensional textures. She is known for her own distinctive colors and techniques.

On May 10, Rami will conduct a workshop entitled "Folded Square & Hexagon for Cross Stitch & Pieced Quilts." Because the pieces include built-in backing, your quilts will already be backed and quilted once all of the "hexies" are pieced together. Examples are on the Workshop table; register for the workshop at the table or contact Margaret Dear (margaretdear@gmail.com).

Interim Chair's Message

Hurray, we have almost filled the vacant board slots with nominees. We still need a nominee to parliamentarian. I am sure that someone from the guild will come forward and agree to be nominated for this position. Just a reminder, the general membership will vote on the start time of the general meeting in May. If you want your voice to be heard, please be present and vote.

We are almost past the bad weather. The sun is shining and the birds are singing, sometimes! Bright colors are appearing on all the quilt shop web sites and in local quilt shops. Take a look and get fresh ideas for that next quilt. Of course, after you have made at least one veterans' quilt for the Visiting Nurse and Hospice pinning program. We plan to give the quilts in July to VNA.

Think good thoughts, find that bit of sunlight and quilt on.

Linda Boynton de Sepulveda, *Guild Interim Chair*

Annual Business Meeting & Election in May!

In accordance with our by-laws, please note that the annual members' meeting will be held on Thursday, May 9, 2019 at 7:00pm during which we will vote on the nominated slate of officers for fiscal year 2019/2020. In addition, the Board would like members to make the decision on the time our meetings shall start so you will be voting on that too.

One position has opened as of this date — to be our Parliamentarian. It is imperative that we fill this position so please consider stepping up. Contact Linda Boynton de Sepulveda at alshaven@aol.com if you are interested.

Nominated Slate of Officers:

Karen Pickford, President*

Susan Katz, Vice President, Programs

Sherry Lafler, Recording Secretary

Rochelle Schneider, Corresponding Secretary

Marcia Greiten, Treasurer

Vacant, Parliamentarian

Pamela Holst, Speaker Liaison

Margaret Dear, Workshop Coordinator

Sue Orfila, Membership

Gwynn Hladyniuk, Public Relations

Please come a little early to mark your ballot and put it in the ballot box. Votes will be counted at the break, and the results announced thereafter. There will be a space for write-in votes.

*For health reasons, Debbi Haeberle resigned her current position as President on March 25, 2019, and said she will not seek election for a new term in May. We thank Debbi for her service this year and send her our Guild's best wishes.

Amnesty Declared: Please Return Guild Binders

Do you have a guild binder from a past or recent assignment as a Guild officer, committee chair, quilt show volunteer, or other guild job? If so, please turn it in to the library book-return box. Guild Librarian Carol Hart has graciously volunteered to create a check-out system so binders can be more easily tracked. No questions asked, no recriminations, psychic burden lifted!

Block of the Month News

Sixteen wonderful Irish Chain blocks-of-the-month are presented in this photo by BoM Chair Nancy Butterfield. The blocks were won by Diana Hamilton, who graciously gave them to another contributor, Joyce Ball.

A bit o' Green Generosity was at play this month! This March Block of the Month was originally published in 2005, created by Becky Gallup and MaryAnn Huggins. Many thanks to all who contributed these Lucky Charms!!

The May BoM is especially important because of the opportunity for our guild to honor our military veterans, past and present. Please consider making **multiple** blocks to be included in quilts that will be created for service members in our community.

In recognition of this effort, for this month only, all blocks will be donated to Community Quilts rather than to a BoM participants' drawing. Let's show the Flag in a big way this month!

Nancy Butterfield, *BoM Chair*

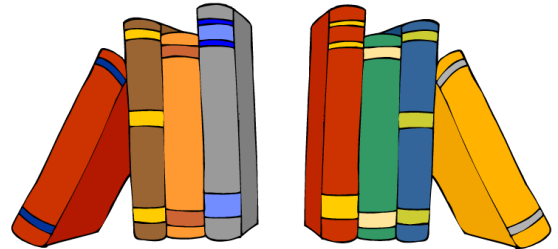

Library News

The library will be closed in April except for returns and donations.

I will step down as Librarian after June's meeting and I will be happy to elaborate the job's duties with anyone interested in serving as the next Librarian. This job has been delightful while providing a nice opportunity to get to know more members. I learned so much as I became familiar with our collection that I have a new "future projects" wish list. This job isn't too demanding; it is mostly setting up, being "open" prior to the business portion of the meeting and during break, then putting away the books. The "circulation desk" was cleverly fitted into a perfect basket by a previous library team.

Carol Hart, *Librarian*

Opportunity Alert: Editor Needed

Interested in being next year's *Coastlines* editor? Please contact current editor, Heather Georgakis, cqgeditor@gmail.com.

Monthly duties include soliciting and editing articles from guild officers and committee chairs; it is helpful but not required for the editor to attend board meetings. The editor is part of a great team including other guild members who handle the layout, printing, e-delivery and web posting of monthly *Coastlines* content.

The new editor will take over for the July issue (work begins in mid-June); plenty of guidance will be available. If you're looking for a fun way to connect with other guild members, this is it!

Parking: Please Don't Back In

As common courtesy to neighbors with homes adjacent to the St. Andrews parking lot, members are asked not to back in to parking spaces on the housing side of the lot. Pull straight in, to avoid inflicting unwelcome exhaust fumes and lights on the neighbors. Thank you for being considerate.

12 x 10 1/2" Block (12.5 x 11" Unfinished)

Coastal Quilters Guild Block of the Month

Reviving this block in honor of the guild's Veterans quilt project. Make lots, they're easy!
 "This month we're asking you to come up with a modified version of the American flag.
 If the lucky winner doesn't get the quilt finished by Memorial Day, celebrated on May 30
 this year, perhaps she'll make it by Flag Day, which is June 14. "

2015-16 BoM Chairs: The Blockheads guild satellite group.

Fabric and Cutting

The colors you'll be working with are red, white, and blue. The red fabrics may be solid, patterned with small white or cream figures, or tone-on-tone. The white fabrics may be solid or tone-ontone. Civil War reproduction fabrics are fine. Please use the same red and white fabrics throughout. The blue fabric may be solid, patterned, tone-on-tone, or blue and white.

<p><u>White Fabric:</u> Cut 2 - 2" x 12 1/2" Cut 2 - 2" x 8 1/2"</p>	<p><u>Red Fabric</u> Cut 2 - 2" x 12 1/2" Cut 2 - 2" x 8 1/2"</p>	<p><u>Blue Fabric</u> Cut 1 - 4 1/2" x 5"</p>
--	---	--

Assembly (use 1/4" seam allowances)

Sew the four long strips together, alternating colors. Press all seams toward the red strips.
 Sew the short strips together, beginning and ending with a red strip. Again, press all seams toward the red strips.
 Sew the blue rectangle to the short strip set along a 5" side, then trim it as needed. Sew the two rectangles together, and you're done.
