June 2019

June Speaker: Cathie Hoover “Accept the Challenge!”

Cathie has had a diversified relationship with fabrics. Graduating with a B.S in Home Economics, she has studied tailoring, pattern drafting, and weaving. Dressmaking, knitting with fabric, quilting, wearable art and machine appliqué are a part of her world. She uses embellishments with decorative stitches, laces, braids, rickrack, and color combinations to create her dynamic quilts. She has taught quilting workshops and lectured throughout much of the U.S..

She will present a slide show of quilts and garments and share personal experiences that led to their creation. While encouraging her audience to say “yes” to challenges, she will discuss design solutions for those challenges. Examples of her special pieces will also be on display. Please join us on June 13 for an evening with this dynamic, informative, and fun loving teacher!

Workshop: Wild & Crazy Quilt with Curves

Cathie’s workshop (June 14) has been praised as both fun and educational. Bring dots, stripes, and a large-scale print. Add blender fabrics in colors found in the large-scale print, in light, medium, and dark values. This block has both curves and straight, diagonal pieces, creating movement not found in traditional blocks. Embellish both blocks and finished top in rickrack, lace, braids and/or decorative stitching and fancy threads.

Each student’s fabric palette will be evaluated and suggestions made for maximum impact. Students can make templates (6 pieces) from template plastic and glue stick or purchase a template set (\$16) at the workshop; rickrack will be available for sale. Let your creativity flow and join us for this “Crazy” workshop! For the supply list check the website [here](#). For questions and to register, please contact Margaret Dear at margaretdear@gmail.com.

July Meeting: Guild Picnic! Details in next month’s Coastlines.

August Speaker and Workshop:

Sheila Collins will be our speaker and workshop leader, August 8-9. A former graphic artist and fashion designer, Sheila has had her quilts shown at PIQF and as part of the Cherrywood exhibits on Van Gogh and Prince. Her workshop features a dimensional fabric art quilt called “Color Me Sunshine.” For the supply list check the website [here](#). Sign up at the Guild meeting or contact Margaret Dear (margaretdear@gmail.com.)

There is the promise of new beginnings, bright sunlight, warm days, and endless gatherings of friends and families. Our July picnic is on the horizon. With the help of the board and committee chairs, we hope to bring you a night of special gatherings of old friends and new acquaintances. It will be a night designed just for you. So, hold the date: July 11.

Linda Boynton De Sepulveda, *Interim Chair*

Guild Notebook Inventory—Please Read

To enable the Guild to keep track of notebooks, we are making an inventory. If you are in possession of a notebook (officer's, chair's or Quilt Show), please keep reading!

Each notebook will have a notebook card and a borrow/return card. When the notebook is lent out, we will use those inventory cards to track who is borrowing the notebook, and when. When the borrower returns the notebook (after using and updating it), the Guild's inventory will be updated and the notebook will be returned to storage or processed to be passed on to the next member who needs it.

If you are in possession of a Guild notebook and have not yet received a pocket and borrow/return card, please come to the Library to pick these up. You don't need to bring the notebook unless you are finished using it.

The Guild's new fiscal year begins in July, so it is time to prepare your notebook for storage or exchange if you are leaving the position you currently hold. Some notebooks may benefit from a review. Delete unnecessary pages. If clearer instructions would improve understanding of the position's duties, revise the instructions you received. If your job description hasn't yet been written up, as little as a page may provide a sufficient explanation. I'll have a notebook sheet protector to hold your write-up and pocket/card. Thank you.

Block of the Month News

The May Block of the Month was "Our Flag", from 2015-16 designed by the Blockheads Satellite group. In honor of Memorial Day, all **70** blocks (!!) were donated to the Veteran's Quilt Project.

Linda Boynton de Sepulveda wrote, "Piecing them together and making quilts should keep me busy for months to come. I can't imagine Block of the Month ever collecting so many!" It is a new BoM record and everyone won. So proud of our generous Guild members, going big to support such a worthy project.

Nancy Butterfield, *Block of the Month Chair*

Quilt Show 2020: New Dates and E-Mail

We have confirmed new dates for the Harvest of Colors 2020 Quilt show: Saturday and Sunday Sept 26-27, 2020. Questions, comments, and volunteer offers can be sent to cggshow@gmail.com.

The Quilt Show committee has met several times to ensure we get off to a good, early start. Many members have already signed up for subcommittee leadership and we are very grateful. If you are interested in a particular position but concerned you might be overwhelmed, consider taking on another member to share it with you. We will bring signup sheets to as many meetings as possible to give everyone a chance to choose what they would like to do. Helping with the show gives so much to the Guild as well as to those who volunteer their time and skills to this wonderful event.

Evening Star

12 x 12" Block (12.5 x 12.5" Unfinished)

In the year 2000, (aka Y2K!) there was a very creative satellite group known as "The Evening Stars" (Lois, Ranell and Marcie) Their theme for the year was Star blocks. They chose this star block for July and it is appropriately named for their group.

Fabric and Cutting

The colors you'll be working with are medium bright blue, dark bright blue and white. The blue fabrics may be solid, patterned or tone-on-tone. The white fabric can be solid or tone-on-tone.

White Fabric:	Dark Bright Blue Fabric	Medium Bright Blue Fabric
Cut 2 - 4" squares	(2) 4" squares (to make center pinwheel)	(4) 3 1/2" squares (for the flying geese)
Cut 4 - 3 1/2" x 6 1/2"	(4) 3 1/2". Squares (for the 4 flying geese)	
Cut 4 - 3 1/2" x 3 1/2" squares		

Assembly (use 1/4" seam allowances)

- Draw a line corner to corner on the two 4" White squares. This is the cutting line. Draw a line 1/4" from the cutting line and on each side of the cutting line. These are the sewing lines
- Pin White squares and Dark Bright Blue squares right sides together. Stitch on the two sewing lines. Cut on the cutting line. Press seam to the blue. Trim units to 3 1/2". Makes four half square triangle squares of background and "Pinwheel" material.
- Sew these four squares together to make center pinwheel unit.
- Make four Flying Geese* with White 3 1/2" x 6 1/2" pieces as base, dark blue on left, bright blue on right. (trim to finish at 6 1/2" x 3 1/2"). Sew per example to either side of pinwheel unit.
- *Flying Geese Instructions: Draw a line from corner to corner on the wrong side of the blue 3 1/2" squares. With right sides together stitch the Dark Blue square to White rectangle, stitching on the drawn line. Trim seam to 1/4". Press seam toward blue fabric. Repeat using the Bright Blue.
- Assemble the top and bottom rows to align as in the example. Sew the rows together to finish.
