The Days Slide by
Like water passing smoothly over my body
So few ripples
So few moments different from the moment before,
the moment after
A Zoom call with smiling creative artists
A chance to share
A quick trip to the grocery store
Masked
Disinfected
Distanced

The warmth of a call with my adored daughter
A video of my precious grandchildren
Babies that I can't see, can't touch
Days slide by
Weeks slide by
Months slide by
With so few ripples
These are days I can never get back
Days lost forever in hope of life after danger
Floating in the waters of isolation
Floating through the days of sameness
