COMMUNITY PROJECTS - Carol Barringer is still open as to who we will donate next year. Our name badges will have a star for all those who participated this year. It was suggested we might consider making a quilt for the chosen community group to use as a raffle event.

ANNOUNCEMENTS - Suzi Carter asked for suggestions as to how we might make new members feel more welcome and part of the guild.

Challenge quilts should be turned in at the December meeting for hanging at Antioch.

Jan Inouye requested donations for a prize give away for early renewal.

Next month's meeting date will be announced at the general meeting. There will need to be a change to accommodate the mailing of our newsletter.

Meeting adjourned at 9:30

Respectfully submitted,
