# Coast Lines

Newsletter of the Coastal Quilters Guild  
P.O. Box 6341, Santa Barbara, CA 93160

WELCOME 1990, A NEW YEAR & A NEW IDEA TO HELP YOU...

By now you will have noticed a format change in COAST LINES, the guild newsletter. By using a shorter one page bulletin form, we can print a monthly update of events and information easy to clip on your refrigerator door or carry in your datebook. Contact person and phone numbers will be printed whenever possible. We will still print & mail a longer version a couple of times a year. Newsletters will be available at the welcome table at the monthly guild meetings. The shorter bulletin will not be mailed, so pick up your copy at the meetings and one for a member who missed the meeting. If all else fails, send a LSASE to me and it can be sent to you - Rebecca Mealey, P.O.Box 1257, SB 93012.

NOW FROM CAROL...

Dear Members,

I am so excited about being your President for the next year. There are lots of exciting activities planned for 1990. We have some excellent speakers including Doris Floyd, Katie Pasquini and Sharon Craig. Katie & Sharon will also be giving workshops.

We will be challenging our own members with a Nature Challenge in addition to a challenge from Mary Ellen Hopkins from Crazy Ladies in Santa Monica. The Guild plans to participate with displays for the Goleta Valley Days, the Goleta Library window & the Nature Challenge in the library.

In progress will be plans for 1991 Quilt Show & Museum Quilt, a joint project with the Santa Barbara Museum of Natural History.

Other activities including making several Opportunity (raffle) quilts, donation quilts for a worthy organization, motivational ideas for Block-of-the-Month and new creative ideas for door prizes.

~~There will be lots of opportunities for everyone to participate and become involved. We hope this will be an exciting year for you and that it will provide a chance for growth, meeting new friends and trying new quilting ideas.~~

.....Carol

DECEMBER MEETING NOTES...

Sheila Wiley dashed into the December meeting for a few minutes and left with an early holiday treat winning the latest opportunity quilt, congrats Sheila! Who sold most tickets winning a free membership??? Thank you all!

Norah McMeeking announced developments in our exciting joint project with the S. B. Museum of Natural History for a quilt show and exhibit quilt for May 1991. County residents will be asked to submit designs which will become blocks to be pieced & quilted by the guild.

December Block-of-the-Month, the string pieced tree, was so popular that 32 blocks arrived at the meeting allowing two winners - Jan Erb & Judy Gorrindo! Make up "Bright Hopes" for January so you too can join in the fun of a friendship quilt.

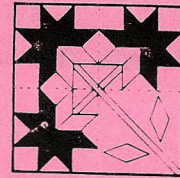

DUES - DUES - DUES ARE DUE IN JANUARY - \$ 15
