COMMUNITY PROJECT

Let it come from your heart and join in the Coastal Quilters project for 1990 - Quilts for the Women's Shelter.

There are six rooms with 2 to 3 beds in each varying in sizes for singles, cribs and bunks. The quilts will remain with the Shelter as they have an on-going program. The needs are ever present, mothers with children from babies to eight and older.

We anticipate having all the quilts turned in by the July meeting and at the August meeting there will be a display of all and a presentation to the Shelter.

We have quite a collection of fabric for those who would like to choose from it. The pattern is your choice. Perhaps you would like to team up with a friend to make one of the singles ... machine or hand pieced, quilted or tied are all acceptable. Just as you choose to do it.

Some measurements you may want to consider are: Single and bunks: 66X90; and crib size: 40X50.

If you can help, please call: Marjorie Hall: 968-1487, Violet Menoher: 968-6891 or Margaret Kocinski: 9967-7792. Thank you very much for attention and happy quilting!

REMEMBER IN ORDER TO BE IN ROSTER, DUES ARE NOW DUE!!!
