Harvest of Colors 2004

Coastal Quilters Guild Members' Showcase
October 9-10, 2004

With the last big push at the August meeting we now have many nice quilts for the October Showcase. All "first choice" quilts will be exhibited, while second and third choices will be selected by the design committee, depending on space available. At the end of September or early October, before the show, you will be contacted regarding the delivery and pickup of your quilt entry. At the time of submission, you will sign a "liability release" form and a receipt. You are responsible for provid-

ing your own insurance to cover your quilt(s). Remember that your quilt must be clean, and "show ready" in a pillowcase or cloth bag, with a 4" hanging sleeve, when you deliver it to the collector. If you are having your quilt judged, please cover the label with a piece of muslin tacked over it.

Thanks, and good luck on a great show!

PACIFIC INTERNATIONAL QUILT FESTIVAL BUS TRIP

Last chance to make reservations for the overnight bus trip to Santa Clara on Oct. 16th and 17th! We will be staying at the Hilton, across the street from the quilt show. The cost is \$166 for double occupancy and \$226 for a single.

Cutoff date for signing up is Monday, Sept. 13th, as Santa Barbara AirBus has a deadline for the room reservations. For more information, please call Marilyn Martin at 967-6821.

The Pacific International Quilt Festival, as BIG, BOLD and BEAUTIFUL as ever, is now in its 2nd decade. The Festival is the largest Quilt Festival on the West Coast. Over 700 quilts and garments will be on display throughout the Festival's four days. PIQF also features a Merchants Mall of approximately 160 vendors offering machines, quilts, textiles, quilting supplies, books, sewing related craft items, kits, clothing and much more.

President's Message

Watching the Olympics was both exhilarating and exhausting. Though unaccustomed to staying up until midnight, I could not tear myself away from the television. Attempts at hand quilting while watching were futile. So there I sat, eyes glued to the TV night after night.

I never participated in organized sports while growing up. There were no team sports for girls then, but as the daughter of a football, wrestling, and track coach, I did not lack for athletic instruction at home. My four brothers and I each had our own boxing gloves and baseball mitts. The wall-to-wall mat in the basement came in handy for practicing our wrestling and tumbling moves. Vigorous blows to the nearby punching bag calmed down many an angry sibling back then. In our backyard were the pole-vaulting pit and high jump standards, with the baseball diamond mapped out on the vacant lot next door. My childhood was filled with sporting contests. Only when I got to college did I realize how unusual it was to use a stopwatch to time children each day as they retrieved the newspaper from the driveway!

With the Olympics over, it is time for me to get down to business and:

- Finish the binding on my challenge quilt
- Add the label to my quilt show quilt
- Call Velda Newman regarding her quilt exhibit
- Encourage (implore) fellow Guild members to accept board positions
- Distribute several quilt show posters around town

These are busy days for us Coastal Quilters, but I know we are up to the challenge. Soon enough we will be looking back with pride at our *Harvest of Colors 2004* quilt show.

It's too bad there are no Olympics for Quilters. We'd have great fun competing with the best of them. I can predict which of our Guild members would be the tough competitors in events such as Precision Piecing, Speed Rotary Cutting, Make a Quilt in a Day, and the Fabric Shopping Marathon. But I confess that I am not sure who would enter Synchronized Sewing... Gee, now I'm just getting silly. I must still be sleep deprived. I think I'll take a nap.

See you at the September meeting,
Susan West

Community Quilts

There are still some very nice kits available to make a quilt for the Unity Shoppe. Baby quilts and quilts of a sufficient size to cover a wheelchair lap are most useful. In addition to kits, there will be a limited amount of batting for Community Quilts at the September meeting.

A big thank you to those who have already turned in their quilts! As of the August meeting, we have 42.

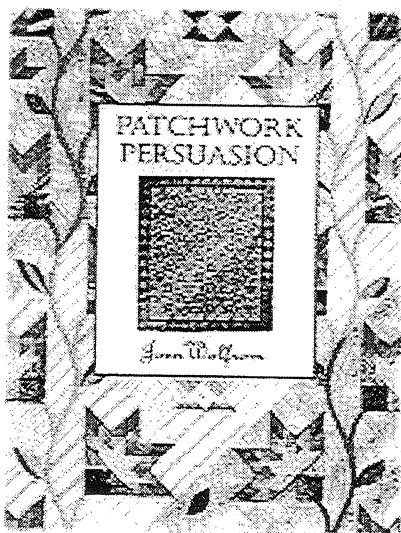

The quilts will be presented to the Unity Shoppe at the November meeting. It's time to get going! Join the fun and help the Guild in its outreach project.
