## WELCOME to TONYE BELINDA PHILLIPS, our November Speaker!

Coming from Camp Sherman, Oregon, Tonye will present "A Hint of Tradition-A Hint of Whimsy". She likes to use unexpected fabrics whenever possible as well as trying to keep her quilts "light" - as in fun, goofy and a bit odd.

She wants her quilts to make us smile and inspire us to give hand applique a whirl. With just a little bit of practice we can fill many hours creating bright and colorful masterpieces.

Tonye creates her artistic pieces in a charming, rustic, historic cabin and in her studio in Sisters, Oregon. Her first book about hand applique was published in 2008. Several of her quilts have been featured in various quilting books. We are in for a real treat!

### Applique Pot Luck Workshop

We will create one of Tonye's potted plants, baskets or window boxes from her book "Hand-Appliqued Quilts/Whimsical Designs and Simple Techniques". Using simple shapes and your favorite fabrics, Tonye will share with you the fun and creative energy you're sure to find when playing with hand appliqué.

Visit the program page at [www.coastalquilters.org](http://www.coastalquilters.org) for a supply list and a link to Tonye's website to see more pictures of her work.

## Photo Caption Correction

Hi Quilters,

Here is a sample of Nancy Ota's sashiko. Somehow I made a mistake and the picture I submitted to be printed in our October newsletter is of a group of fabulous ladies who took Andi Perejda's Circle of Illusion workshop, not Nancy's, who has not given workshops here before this. *Suzy*

**Note from the Editor:** Thanks to the **Loose Threads** members who let me know that the caption didn't match their photo in the "Around the Block" article for October. My apologies.

## A Message from the Board

Several Coastal Quilters members have asked Board members if the Guild has to shut down due to lack of a president. We have looked into this and have been told that whether we continue as an organization or not is totally dependent on our By-Laws and not on state or federal organizations.

At a special meeting of the elected Board of the Coastal Quilters Guild of Santa Barbara & Goleta on June 28, 2010, it was voted that the nine elected officers would act as co-presidents sharing the responsibilities and duties of the presidency until such time as a president is elected. This is in accordance with Section 41 of the By-Laws of the Guild which state that "In the absence or disability of the president, the vice president(s) ... shall perform all duties of the president..."

For the last five months, your elected officers have been sharing the president's duties. In addition, some of these tasks have been permanently assigned to officers and committee chair positions, where appropriate, in an attempt to simplify the president's responsibilities. We do not, however, plan to do this forever and have recently heard that there is at least one member, possibly more, who would like to become president. To this end, we are taking nominations up until the November meeting and will be holding a special election at the December meeting. If you are one of the interested parties, please send an email to Debra Blake, our parliamentarian at [debra.blake@senate.ucsb.edu](mailto:debra.blake@senate.ucsb.edu)

We look forward to hearing from you!

### Editor Needed January through June 2011

Interested in a way to support the Guild in your PJ's? Here's your chance! I enjoy all of the notices that show up in my email box each month, and it takes just a few hours to sort and edit them so they are ready for Jean (who does the layout). Jean sends me a draft, I write back about edits, and (if time permits) I take a second look at her new draft to make sure we got everything before it goes to the printer. If I miss something, I get friendly email notes with corrections. Why am I telling you all this? I have happy personal news that I'm expecting a baby boy in March - and I expect that I won't be able to focus on editing the newsletter for quite a while. Please let me know if you're available short (or long) term. Thanks!

- **Gwen Wagy** [quiltnews@wagy.net](mailto:quiltnews@wagy.net)

## Future Programs

### DECEMBER

FUN, FOOD, MUSIC. Save Thursday, Dec. 9th on your calendar for the annual party fun. We all love parties. A surprise awaits.

### JANUARY

**Sandy Turner**, from Santa Maria, will help us with ideas for our "stash." Her presentation is titled "I Love The Fabric But What Do I Do With It?" Who couldn't use a little advice about that? The focus of her lecture is a trunk show of pictorial quilts, showing the use and quilt designs most appropriate for those hard to use fabrics. She is a National Quilt Association Certified Teacher who has been teaching for 20 years.

### FEBRUARY

*February 10th Presentation: Jean Wells, Sticks and Stones: Pattern and Color.* Jean is the owner of the Stitchin Post Quilt Shop in Sisters, OR, member of the Quilters Hall of Fame and founder of the Sisters Outdoor Quilt Show. *February 11 Workshop: Outside the Lines.* Explore color and design and discover your own inner artist.

For more colorful photos and class examples, visit [www.coastalquilters.org](http://www.coastalquilters.org) and click on workshops.

## Community Quilts Project

This was our first Guild quilt show as members, and we chose to work the Community Quilts table for much of the weekend. It was a very wonderful experience for us. Being in the front, many individuals started their day with a stop by the Guild's Community Quilts booth. The comments about this sample of your work were truly special, particularly when they came from members of other Guilds. Folks were taken by the spirit and beauty of your donated quilts. They asked about patterns and were amazed to learn that some were original designs. Others shared that the quality of the Community Quilts matched those on display in the center of the hall.

Many found the booth to be very attractive. For this, we owe thanks to Bonnie Barber, who upon a plea for help quickly offered her services in designing a flyer on Community Quilts. We also want to acknowledge Lupe Navarro-Garcia for creating the poster.

We would also like to express our appreciation to Sue Kadner and Marty Frolli for making sure that the Community Quilts Project was well represented at the October Guild meeting. It is very comforting to know that when life happens, others will step in and keep us moving along.

In addition, we want to share our admiration for those in Marty's class who, as of late September, made 37 Christmas stockings for the Unity Shoppe. It is our understanding that this number continues to grow through their efforts, as well as by those who decided to use the emailed Christmas stocking pattern. Clearly, the Guild will add substantially to the treasures available at the Unity Shoppe for families struggling to provide for their children. We look forward to seeing the full array of knitted items, stockings, doll clothes and everything homemade that will be donated at the November meeting. So, please keep sewing knowing that your efforts bring joy to others.

Finally, we offer our kudos to all of you collectively for sharing your rich talents each and every day with those in need.

*-Yolanda Garcia & Louise Salgado, Community Projects*

## Time for a Challenge?

Since Challenge 2011 has such open criteria, March's presentation should be an exciting and interesting reveal of interpretations of our theme *All Creatures Great and Small*. Please consider participating and sharing the excitement of the evening by adding your concoction of charm to the Show. There is still plenty of time to begin your entry. I hope to delve into my sewing room this week after returning home from a trip to New England. While I was back east, shopping with my twin sister in Connecticut for new curtain fabric for her home, I also found the fabric I had in mind for my Challenge project!

Your imagination has no limits, happy sewing and quilting!

*-Carol Hart and the Sew It All's*

## Two Special Art Exhibits:

### **Quilting Through the Ages Exhibit**

*Runs through November 7th*

Quilts in all shapes, sizes and design patterns have played a part in so much of early American life that they have become iconic symbols of home and hearth to many. Quilts and the art of quilting remain the interest of many collectors and artisans throughout the nation. It is the iconic quilt that is the centerpiece of the newest exhibit "Quilting Through the Ages" opening at the **Santa Ynez Valley Historical Museum**.

The Museum's "Quilting Through the Ages" exhibit features quilts of every variety, vintage quilted clothing, period sewing machines and irons along with interpretive information about a number of the local families who donated the items. Quilt collectors and quilters will enjoy this local emphasis along with the large variety of quilted items on display.

## Block of the Month for December

### SCRAP INSANITY:

#### CHRISTMAS WREATH

Christmas is coming and every door needs a new Wreath.

You don't need to worry about getting your hands sticky from pine sap when you assemble this block. Once again we will be working with half-square triangles. This will be a two color block in white and green.

There are 32 pieces to this block and it will finish to 12 1/2" square.

#### FABRIC:

*Background:* white or cream. Cut 16 squares 4".

*Scraps:* you will need 16 different fabrics all green. This block will look best using medium and dark greens. Cut 16 squares 4".

#### ASSEMBLY:

Draw a diagonal line on the wrong side of all the background pieces.

Match a background piece and a scrap with right sides together. Stitch 1/4" from both sides of the diagonal line. Cut apart on the drawn line. Press seams toward the scrap. Trim to 3 1/2". Layout the half square triangle (HST) units as shown in the diagram and complete your block.

**Note:** If you follow this method, you will be able to make two blocks. Or, save the leftover HST units for a future Block of the Month.

Having problems with the block? We are here to help.

**Cathe, Darilyn, & Kathy**
