October Speakers: SB Modern Quilt Guild

We are in for a real treat at the October meeting. Several members of the Santa Barbara Modern Quilt Guild (some of whom are also Coastal Quilters members) will share their journey into Modern Quilting and show quilts they have designed.

About the Modern Quilt Guild: The MQG developed out of the thriving online community of modern quilters and their desire to meet in person. The founding guild was formed in Los Angeles in October 2009. The Santa Barbara MQG started in 2010 as an informal group meeting at the Fabric Quarter. Membership in the MQG was formalized in the summer of 2013; the SBMQG became a formal chapter and is now one of 170 guilds worldwide. There are approximately 12,000 members of the MQG—a small but diverse group of quilters from a variety of backgrounds.

Reminder - the October workshop is an “Open Sew” day at Goleta Community Center.

November Speaker/Workshop: Dora Cary

At the November meeting, Romanian quilt designer Dora Cary of Orange Dot Quilts will share her love of making patterns and teaching quilting. Described as “fresh and original”, Dora’s patterns will be featured at the workshop the next day when members will make their choice of one of four Orange Dot patterns. Guild members who have taken a class with Dora say she’s a terrific teacher who gives a great workshop.

Dora’s workshop patterns will be for sale at the meeting and can be downloaded from her website, www.etsy.com/shop/OrangeDotQuilts. Come see some samples at the workshop table. And—buy some door prize tickets! You might be one of the lucky people who will win the patterns Dora has donated...

What’s Dora’s backstory? Born in Romania, she studied first to become an engineer and then a graphic designer. She moved to the US, discovered quilting, became an American citizen, and in the same year—2008—finished her first quilt. Only five years later, she wrote her first pattern and opened her Etsy shop. Today, Dora lives in Paso Robles and quilting has become a full-time business. Watch for more next month...but don’t miss the chance to sign up for her workshop and decide on your pattern at the October meeting.

President's Message

Threads of Time

I often wondered how quilting started. How can a few threads turn into something so beautiful? Our Guild is reaching its thirty-year mark and we have seen so many beautiful quilts over the years made by our members. But do you know where it all began?

Quilting has served many functions through the ages (warmth, decoration on a wall/floor, remembrance of a loved one, expression of political views). Quilted garments were known to exist in Egypt as early as 3400 B.C. Crusaders brought quilting from Europe in the Middle Ages. The first reference to quilts in America was at the end of the 1600's. The earliest surviving American quilt is the Saltonstall quilt from 1704.

The Tristan quilt is the oldest quilt in existence. Made around 1360-1400 this quilt is in the Victoria and Albert Museum in London. A second related piece is in the Bargello Museum in Florence Italy. It is assumed that both pieces were made at the same time. The six scenes on the quilt depict the legend of Tristan. "The oppression of Cornwall by King Languis of Ireland and his champion, Amoroldo, and the battle of Tristan on behalf of his uncle, King Mark." The quilts were done in sections and then joined. Made of linen and stuffed with cotton wadding. The figures are outlined in brown and the background is stitched with white thread.

Too bad we don't know who made it. Remember to always sign/date your quilts. You never know where they might turn up and how long they will survive after you are gone. Someone might be interested in your story.

Library News

We're working on making our library more user-friendly to increase circulation! Please just ask for help if you need one of our book bins lowered from the cart to browse better. Books are now organized by Subject, with dividers to separate categories. You'll find similar categories in nearby bins. You can find a "bin book list" in front of the 1st "Subject divider", with books alphabetized by author's 1st surname. When a Subject overflows into 2 bins, the book list may continue on the flip-side. When a book's topic applies to several Subjects it will be **noted** in column - Subject 2.

We expect our inventory to be completed this month. The Library database will be updated soon so you can browse at home. Meanwhile, check bin book lists.

We appreciate your donation books, which enrich our selection. We have room for just two Sale book bins.

Please browse through all the bins, as ideas and inspiration come from unexpected places. When sorting the collection I was intrigued, wishing I was younger to make time for all the projects I'd like to try. Don't limit your expectations. For example, any Applique Traditional pattern may also be fused, raw-edged or even go wonky. I've been stimulated to stray from my traditional inclination and go modern. Read a book just for pleasure without the obligation to "make another quilt", broadening your knowledge and appreciation of well known artists, quilting history and styles. Happy reading, happy quilting.

DROP YOUR DRAWERS!

Why are we collecting packs of new panties at Guild meetings? Background: DAYSIES is a new CQG satellite group. We make reusable feminine hygiene kits with "Days for Girls" guidelines. Read more here: www.daysforgirls.org. We stitch the components and assemble kits at Direct Relief, then kits are shipped to girls and women in impoverished countries, such as Nepal and Uganda. Read more here: www.directrelief.org. Believe it or not, this helps girls stay in school and women to hold their communities together!

Two pair of panties are included in each kit. So, we're having a PANTY DRIVE. We now have just over 500 panties, but we're shooting for 2000 by December. So, please PULL UP YOUR BIG GIRL PANTIES and pick up some panties at K-Mart, Costco, Target, Kohl's, etc. (Or order online and have package sent to me.)

Bring the panties to the next guild meeting and DROP YOUR DRAWERS at our Days for Girls table. If you can't make the meeting, I'll pick them up. Please help us with this incredible program and DON'T FORGET YOUR PANTIES! Thank you for your support and donations!

NEW panties – NO used.

Size: Girls' size 12-14 and Women's sizes 5-7. Bikini, hipsters or briefs. No boy shorts. Any brand.

Content: Absorbent - Cotton or cotton/poly. No silky/slinky/sexy.

Color: Medium and dark colors are preferable. (If package includes white or pastel panties that's okay because we can dye them.)

Motif: Florals and geometrics are okay. No animals, bugs, insects, faces or eyes. Butterflies okay if no eyes. No animal skin prints, guns, hunting or camouflage. No glitz, glitter or glam. No cartoon, TV, pop culture, flags, food or words.

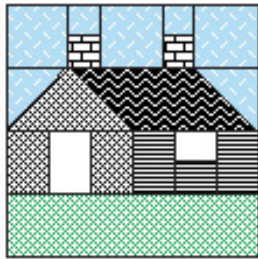

How can you help?

- Join the DAYSIES and help make kits. Contact Marty Frolli if interested.
- Donate quilters cottons. ¼ yard minimum. Medium to dark values. No whites or lights.
- Donate cotton flannel. Medium to dark values. Yardage is appreciated. Joann's Fabrics has best prices. *For cotton and flannel fabrics, please follow the same panty motif guidelines listed above.*
- Donate to Direct Relief, directing your funds to this project. Make check payable to Direct Relief, with the notation "DFG/Daysies #430249" to indicate donation is to be used for DAYSIES Days for Girls project.
