- etc

Pre-Class Prep Instruction

- Prep your papers -- cut out all of the shapes on your papers 1/8" outside of the outside line of each shape. Group the like shapes together with a paper clip or binder clip. Do not cut the templates. Please note there are enough papers to make two runners, or 1 - 6 star bed runner.
- Prep your fabrics :
 - For your background fabric : cut 8 - 9" x WOF strips
 - For your star spikes : Cut 12 - 4" x WOF strips
 - For your center star : Cut 2 - 7 1/2" strips
 - If you are making 6 stars, double these, with the exception of the center star, which will need 3 - 7 1/2" strips, rather than 4.
