Regarding fabric: with the photo I have supplied, you will need to begin collecting pieces for class. As you would imagine, you will not be buying yardage, but will need pieces in small amounts to interpret your photo: fat quarters, 1/8 yard cuts, even scraps. You want a *range of values* within each color as far as the photo dictates. Look through your stash first, then take the photo with you to shop if needed. Be adventuresome in your selections, please include prints. Ombres, stripes, and polka-dots are good too!! We will be cutting 2.5 inch squares. *Please do not cut any fabric before class.* If class participants share with each other then we will have a nicer variety...for this piece you will need in class mainly reds, blues and greens, as seen in the bottom half of your photo.

Feel free to call or email me with questions or concerns.
