

Triad Harmony Quilt Workshop

While it looks complex, this quilt goes together quickly after some precision-cutting of the pieces. Using ombré fabrics increases the visual interest and creates a beautiful play of tone and value throughout the quilt.

The Zoom Workshop consists of live instruction, accompanied by supporting videos and handouts, available only to students of the class.

Visit PayHip.com/opquilt to download a Preview, with suggested fabric requirements. Your needs may vary, depending on the type of fabric you choose.

You'll fall in love with live-online workshops at home!

Downloadable \$10.00 pattern available on PayHip.com/opquilt
