

Coastal Quilters Guild

Board Meeting, Samarkand Craft Room

January 16, 2003

Susan West called the meeting to order at 7:04. In attendance: Wanda Livernois, Judy Stanton, Cynthia Manzer, Kathy Laabs, Robin Ruge, Nola Ferguson, Arla Wardell, Marilyn Blomstrand, Susan Carty, Joanne Conklin, Marilyn Martin, Betty Kelley, Angela Moll, Margaret Dear, Penny Odom.

Programs: Robin raised the question of donated books and patterns from speakers. It was decided to put books in library, patterns for door prizes. In 2004 Robin Pandorf cancelled, we may run a Community Quilts workshop instead. There was discussion about possibly sharing Libby Lehman's 2-day workshop with Grant House (May 8-9); Freddy Moran will also have a 2-day workshop.

Workshops: Betty announced that Jean Ray Lowry's workshops are filled, everyone really appreciated Sharyn Craig as a speaker and teacher.

Treasury: Margaret presented a December spreadsheet and one with the proposed budgets for this year(attached). Everyone is to check their budget figures and evaluate our jobs. Final budget will be presented in March.

Community Quilts: Cynthia may need more labels. They will check with the SB Prenatal project re: safety of flannel fringe quilts for newborns. Marty has designed two new quilts. Discussion about 2nd project - more placemats? To where?

New Members: Wanda wants us to be more inclusive, perhaps ID new members with a different colored name tag, Norah asked Susan West to mention that she wants to start a new members satellite group.

Misc: Nola mentioned that the scholarship check is due for City College, also Michelle Lyons has some gift fabric etc. for community quilts and books for library. Also the traffic flow at the meeting came up. It was decided that we would all observe at the next meeting and try to think of ways to improve it. We will also explore using more of the hall and find out about room set-up possibilities. Further discussion on this next month. Nola, Marilyn, Betty will head up the 2004 quilt show committee.

Respectfully submitted:
