

Coastal Quilters Guild

General Meeting, August 7, 2003
St. Andrews Church Hall, Santa Barbara

Betty Kelley called the meeting to order on the lawn of the hall at 7:00 while the silent auction was being completed inside. She announced that we had lost two members this past month, Peg Gard and Zetta Hanna. A short remembrance of both women followed. They will be missed. A brief update of guild business included Joyce Ball reviewing all of the Board and Committee positions currently filled and vacant.

Nancy King won the Block of the Month.

The meeting was then adjourned inside for the silent auction which included some items from Zetta's and Peggy's stash. Several large items were auctioned off by Angela Moll while the auction was in progress. Judging from the number of large bags of goodies leaving the hall, the auction was a success.

As this was a special meeting, library books could only be returned and several committee reports were deferred until September.

Respectfully Submitted:

Penny Odom
Secretary
