Susan West, President, convened the meeting at 7:07. The first item mentioned was the newsletter deadline of March 22. The next item was combining the summer board meetings into one, skipping July. Susan also offered her home as a possible retreat location for the board this summer.

The January and February board minutes were read and approved.

Treasurer, Sandy Hess presented the 2004 budget and it was approved.

A correction was made in the February budget regarding the \$227 for bookmarks for the quilt show.

Membership is now at 298.

Past Refreshment Chair, Mary Deweese presented some bills. She also spoke regarding putting the membership handbook together.

Kathy Laab, Community Quilts Chair mentioned the upcoming workshop to assemble community quilts on April 9th at the Goleta Valley Community Center from 9-3. Celeste White offered to help with food.

by the upcoming speakers or books that contain items regarding their work from the general area 3 months in advance of their appearance here and have them available in a social area to be perused.

Laura said she could scan some pictures typical of the artist's work and have them available

A discussion of advertising in the newsletter began with the presenting of a list of merchants available in the Camarillo area who give some kind of discount to members of the local guild. It was also mentioned that each member of our guild is allowed one free ad a year in the newsletter to sell something or promote his or her business.

Susan said that Marlene Pearson would spearhead the I Madonari chalk quilt this year as she has done in the past.
