Dear Ms. Pickford:

These are unprecedented times that we are in and are encouraged by the generosity of our community. On behalf of the City of Santa Barbara, I would like to personally thank you for donating 200 cloth masks to our staff.

Because of the Coastal Quilters of Santa Barbara and their generous donation our essential staff are able to work safely and stay well.

Your donation has assisted in the following ways:

- The Police Department is using the cloth masks during routine patrols and saving their N95 mask for when they are needed;
- Public Works staff are able to work safely in our Water Treatment and El Estero Water Resources Center and all of our custodial staff;
- Parks & Recreation staff are able to give out food to our seniors and clean our parks in a safe manner;
- The Airport Department is using the cloth masks for all their custodial and operations workers;
- Waterfront is using them for their Operations and Custodial staff; and
- Finance staff that work with the public are using them to protect themselves and the public.

Of course this is not an exhaustive list of what the cloth masks have done to protect our staff and community.

Again, I want to thank you for providing us with 200 cloth masks for our staff during these challenging times.

Sincerely,

Paul Casey  
City Administrator  
City of Santa Barbara
