February 2008 Program

Our February artist, **Deana Hartman**, comes to us from Gardner, Kansas, and her specialty is quilt embellishment. She uses all kinds and sizes of beads (and other things, like buttons) to add depth, color, and pizzazz to her art quilts and fabric projects. Her lecture is entitled *Confessions of a Bead Freak*, and describes her journey from adding “just a few” beads to designing and creating whole projects around embellishment. On the Fri-

day following the Guild meeting, Deana will teach a workshop called “The Need to Bead.” In it she will teach us the beading techniques and stitches used to add all kinds of embellishments to our quilt, clothing, pillow, or wall art. Check out her website at <http://www.chameleonquilts.com>.

Harvest of Colors Quilt Show

Saturday, October 4 and Sunday, October 5 are red letter days. Mark them on your calendar, for these are the days of our next Harvest of Color Quilt Show at Earl Warren Showgrounds. Save these days so you can fully enjoy the show. Plan trips, parties, weddings, birthdays and anniversaries for some other weekend! Allow yourself plenty of time to wallow in the joys of the show. You’ve probably been thinking about what jobs you’d like to do for the show. Let me encourage you to sign up quickly, as some of the plum jobs are being snapped up. But there are still some spaces available for you to work: admissions, white glove, security, featured artist, and security. If you’d like to work before and/or after the show, there are some spots left still in set up and take down. If you don’t want to wait for the next guild meeting to sign

up for your first choice of a job, please email me at rich.jo.dovgin@verizon.net

President's Message

It's February and beading time with Deanna Hartmann... our Valentine's Day present to ourselves.

Hopefully, our community quilts are in the finishing stages and we can turn our full attention to our show quilts. Each of our Harvest of Colors shows have attracted more visitors than the previous show so we have to work even harder to show them just how good we are.

We received a very nice thank you note from Mrs. Ochs who brought the Santa Maria Opportunity Quilt to us in December. We have been invited to take ours to their Guild.

Darilyn Kisch and her committee are hard at work lining up the 2008-09 Board and Committees. Give them your full attention so you can choose the position you will most enjoy. Quilters are, by nature, a giving group, so I know she can count on your support. The job descriptions are up to date so you will know exactly what is expected of each position

JUNE 2008 CHALLENGE—THE FOUR SEASONS

1. Use the phrase “The Four Seasons” as your inspiration and take off from there.
2. Your creation must be a quilt: two layers of cloth enclosing a third layer, held together by a stitched design. Embellish it any way you like.
3. You must use at least three different colors in your piece, using lights and darks so that there will be at least seven gradations in the final project. If you want to use additional colors, that’s great.
4. Your quilt may be as small as you wish. It should not exceed 72 inches along any one side, and its total outside measurement must be 144 inches or less. The finished piece may be any shape.
5. Submit one entry per person or group .
6. Label your quilt. Include your name, the name of the quilt (if you give it one), and perhaps something about your inspiration and/or the techniques you used.
7. Attach a four-inch hanging sleeve.

Remember, this year the Challenge is in **June**.

Questions? Phone me, Gail Tinsley, at 685-7222 or email me at darkcatpress@yahoo.com.

July Meeting is a Silent Auction

Our Guild meeting in July is a Silent Auction, a great favorite of our members. Bring in items that you want to get rid of, and see the Guild benefit from your cleaned out closets and stash! If you have a big (fancy, expensive, large, or really cool) item to donate, please let us know ahead of time so it can be publicized in the newsletter and at the Guild meeting.

We need a chairman for this event, or a Satellite group who wants to take on the task of running the Auction. Please contact Peter Glatz, Future Programs, or Susan Carty, Current Programs, if you want to know more about this event. Rules need to be established (eg; no junk), and publicity needs to go out. Let us know who you are and if you’re willing to help!

Future Programs

March 2008 Meeting & Workshop:

Our March speaker and workshop presenter is **Lujean Seagal** from Thousand Oaks. Lujean’s lecture is called *Having Fun with Color and Design*, and will show us how colors and components interact to create vibrant, dramatic, and powerful visual effects in your quilts. Her workshop on the Friday after the Guild meeting is all about *Color and Design*. She will introduce us to a color workbook dealing with the fundamentals of color, and then we will design a colorwash nine-patch quilt, focusing on color and value. Sounds great, doesn’t it?

April 2008 Meeting and Workshop:

The April meeting and workshop will feature **Karen Boutte**, a fabulous quilt and wearable arts designer. Her Guild presentation is *African American Quilts and Quilters*, and her workshop is an *Easy Art Jacket*. She has a book out called *Delightful Diva Designs: Wonderful Whimsical Wearables*. Check out her website at www.karenboutte.com and you will see some of her beautiful work!

May 2008 Meeting and Workshop:

In May we will hear about another different and creative quilter, **Bonnie Lyn McCaffery**. Bonnie’s specialty is incorporating painted faces into her quilts. She transfers a very recognizable face from a guideline drawing under the fabric to the quilt itself. Check out her website at <http://bonniemccaffery.com> and you can see the results! Her workshop will help us learn the technique so we can create portrait quilts ourselves.

Community Quilts

Have you seen the beautiful quilts that have been lovingly created for Transition House? You can participate too. Come on back and see all the various kinds of lovely fabrics we've gathered together into kits for you. And, yes, we have new kits! We also still have Warm and Natural batting pieces which can be quilted up to 10" apart!

THE QUILTS ARE NOT DUE UNTIL THE JUNE MEETING, so there is still plenty of time to make your own contribution to this worthy cause.

Perhaps you do not have the time to do the whole quilt yourself. Why not pair up with a friend and have a party doing it? This is a really fun activity for SATEL-LITE GROUPS, as you can divide the procedue among the members to create a few quilts and have fun in the process.
