## New Year—New Speakers!

We have a very exciting line up of programs and workshops to ring in the New Year!

Our January speaker will be **Linda Schmidt** from Dublin, California ([shortattentionspanquilting.com/](http://shortattentionspanquilting.com/)). Her program on January 11<sup>th</sup> is “**Short Attention Span Quilting**”. Linda comes from a long line of quilting women and has been sewing and quilting since she was eight years old. She teaches quilting nationally and internationally, does trunk shows, judges quilt shows and was a member of the Alameda County Art Commission.

Linda has won over 300 ribbons for quilts and garments, including First Place, Best in Class, Best of Show, Viewer's Choice and Judge's Choice in quilt shows and art shows. She has been a teacher, special lecturer and Featured Artist at Empty Spools' Conference at Asilomar. Her articles and work have appeared in McCall's Quilting, Quilter's Newsletter, and Quilter's Quarterly. She likes nothing more than to talk to people about quilting and has an eclectic taste in quilts.

“**Life's a Beach**” is the title of Linda's workshop on January 12<sup>th</sup>. In this easy, fun workshop, you will make a sandy beach complete with rocks and water. In the process, you will play with Puff Paint, sheer melted fabrics, fabric paints and much more fun stuff! Sign up for this fun and different workshop at the December meeting!

**AND....**in February, we will welcome **Mary Tabar** ([marytabar.com/](http://marytabar.com/)). Her presentation on February 8<sup>th</sup> is titled “**Anything But Cotton**”. She will then lead us through a workshop on February 9<sup>th</sup> and teach us different methods of discharge dyeing, by using stamps, stencils, brushes, fabric markers and ink.

So much to look forward to with these speakers and workshops. Sign up soon! More information will be coming in the January newsletter.

## President's Message

Thank You

Whether you celebrate Hanukkah, Christmas, Kwanzaa, I hope your holiday is special. It is at this time of year that most people share of themselves to others. It is the time of year when most people think of others first. It is the time of year when the sights, sounds and smells of the season bring warmth to your heart.

This guild has thought of others first and children in our community will be receiving a very special gift from us, cradle quilts. Lest we forget, those who live alone and are dependent upon others will receive a very special basket that will include a quilt from some very special friends in our guild. Thank you to all of you who have shared your time, energy, and perhaps stash to make the holidays wonderful for a stranger. Thank you to all the members who have donated their time to make this guild what it is. Every member of the board and committee chairs deserve special recognition for their untiring effort to make this guild what it is, the best.

Next year we will be electing a new president and there will be other positions to fill. Please think about helping or sharing the responsibility with a friend.

Thank you for your gift to me, friendship.

My family and I wish you a very special holiday.

Linda Boynton de Sepulveda, *President*

## Days for Girls

We're SOOOO Close—Help Us Hit 2000 Panties!

**ALERT:** Please help us reach our goal of 2000 by December 31st! We have almost 1500 pair and your contribution will help push us over the top, providing a year's worth of panties to send out with Days for Girls hygiene kits. See details below.

### February 3 Workshop—Please Join In!

Everyone is invited to come for a Days for Girls Sew Day on Saturday, February 3 from 9 am - 3 pm at Goleta Valley Community Center, Rooms 1-2. Come for a couple hours or all day—we'll be working in assembly-line fashion on Days for Girls items. Picture yourself making new friends while working on beautiful fabric in bright colors, making dignity-enhancing items that will empower women and girls around the world.

There are important jobs for those who bring sewing machine and sergers, as well as for those who don't! A suggested \$10 donation would help us defray room rental costs. . . Please let Marty Frolli know if you can join us.

### How It All Began

Days for Girls began in 2008 when Founder and CEO Celeste Mergens was working with a family foundation in Kenya when she began assisting an orphanage in the outskirts of Nairobi. In the wake of historic post-election violence, the population at the orphanage had swelled from 400 children to 1400.

As she was getting prepared to return to Nairobi, Celeste went to bed with the devastating situation weighing heavy on her mind. In the middle of the night she woke up with a nagging question: "What are girls doing for feminine hygiene?" She ran to the computer and sent an email to the Assistant Director of the orphanage.

He replied right away. "Nothing. They wait in their rooms."

Celeste learned that girls were sitting on cardboard for several days each month, often going without food unless someone would bring it to them. This set into motion her first intervention - disposable pads. But Celeste and her team quickly discovered a major problem - without any place to dispose of the pads, this was not a viable or sustainable solution. It was time for plan B: a washable, long-lasting pad.

The first Days for Girls Kits were quite different from the design in use today. Each of the 28 iterations that followed would be informed by extensive feedback, and designed to meet unique cultural and environmental conditions in communities throughout the world. What would eventually become clear in the years following Days for Girls' beginning was just how much of a difference hygiene solutions would make in assisting women and girls to break the cycle of poverty and live lives of dignity.

Today, Days for Girls has reached over 640,000 women and girls in 100+ countries with Kits, each of which will last a girl or woman 2 - 3 years. This translates into over 115 million days of education and opportunity that would otherwise be lost without sustainable hygiene solutions.

If you would like to be part of the DAYSIES CQG satellite group and help to sew Days for Girls kits, please contact Marty Frolli.

## Opportunity Quilt Opportunities

THIS IS IT: there are only about two weeks left to sell or buy the 24 raffle tickets provided to each member — and to turn in your money and/or stubs for our 2017 Opportunity Quilt, Lantern Festival.

The drawing will be held at the Guild Meeting on December 14, 2017; the winner need not be present.

Marty Frolli, *Block of the Month Chair*

## Door Prizes

Door Prize winners for November:

Basket #1 - Julie Mock

Basket #2 (Spa basket) - Linda Bird

The Door Prize Committee has decided to include baskets that may have a different theme from quilting/sewing. As you know, one of the baskets in November was a Spa prize. We have some other ideas and hope you all enjoy the change and surprises. If you have ideas about what type of basket you might like to see, please let us know.

Additionally, remember there is a zippered pocket on the back of your name badge holder. You can keep some extra money there and always have something available to buy door prize tickets.

Linda Kriss, *Door Prize Committee*

## Fat Quarters for Fire Victims

Imagine how you'd feel if you lost your precious fabric stash and other belongings to a wildfire. . . and consider contributing a fat quarter (or even more generous cut) to Northern California quilters who lost everything when fire ravaged their homes in October. Norah McMeeking is collecting fabric and will deliver it in January. Bring your donations to the December Guild meeting or contact Norah ([norah@cox.net](mailto:norah@cox.net)).
